

# We can help to make your website GDPR compliant.

Certified Auditors

We can help you with Data Protection and the new GDPR requirements.

Your website forms adapted to GDPR requirements in 3 simple steps.

---

1. Send us the link to your website using our online form
2. Stay contactable, as we will get in touch with you if we need further information
3. Sit back and wait! Within 24 hours of receiving your confirmation 'task in progress' mail, you will have your GDPR forms.

## **Adapt your website, forms and data to match GDPR regulations**

**For just 99€**

---

- Showing your website users and clients that their data is important and that you are GDPR compliant is key to securing your online reputation.
- In less than 48 hours you'll have forms that comply with GDPR regulations.
- Regardless of the version or plug-ins that you have, we can help you.
- We will supply you with a personalized report detailing the results and recommendations, to prevent you being reported or receiving fines for non-compliance.
- If your website doesn't meet the requirements, we can help to adapt it.

### **I need help with my GDPR!**
